Transforming Innovation for Sustainable Development

“Nemo resideo”

“Nemo resideo” is Latin for “No one left behind.” It was a critical part of Roman Legion morale. Leave no one behind (LNOB) is the central, transformative promise of the 2030 Agenda for Sustainable Development and its Sustainable Development Goals).

Universal Values

Human Rights-Based Approach

Leave No One Behind

Gender Equality and Women's Empowerment

“This is not only a conceptual paradigm shift, but also an operational shift, as it requires us to change the way we work in every way; from how we identify priorities, to how we engage with counterparts; from how we implement activities to how we measure and reports on achievements.”

UNITED NATIONS SUSTAINABLE DEVELOPMENT GROUP
